ABOUT ME

Motivated 2nd-year B.Tech IT student seeking an internship / summer training opportunity to apply foundational knowledge in programming (C, Java, Python), web development, and database management while gaining hands-on experience in real-world IT projects and contributing to innovative solutions in a dynamic tech environment

EDUCATIONAL QUALIFICATIONS

- **B.TECH. - INFORMATION TECHNOLOGY** 2024 - PRESENT
RR INSTITUTE OF MODERN TECHNOLOGY
 - 1ST Sem CGPA : 8.55
 - 2nd Sem CGPA : 8
 - 3rd Sem CGPA : 7.84
- **HIGHER SECONDARY (XII)** 2023 - 2024
K.P.S. INTER COLLEGE
 - Passed with aggregate marks 77.8%
- **HIGH SCHOOL (X)** 2021 - 2022
K.P.S. INTER COLLEGE
 - Passed with aggregate marks 85%

PROJECT

- **Lost and Found QR Tracking System - Mini Project**
 - Developed a QR-based tracking system to streamline reporting and recovery of lost items on campus. Generated unique QR codes linked to item details (description, photos, contact) stored in a database. Enabled finders to scan QR for instant owner notification and secure communication. Built responsive interface with real-time status updates (lost → claimed → returned), reducing manual search efforts through efficient digital tracking
